ABOUT US

Tung Yung International Limited, established in 1962, is a high-tech enterprise based in Guangzhou China, specializing in the design, development, production, domestic and international sales of various stationery products. Currently, we have a production base in Shaoguan, with strong manufacturing and R&D capabilities.

We offer original designs and factory-direct sales of office furniture and innovative stationery products, and we also undertake OEM/ODM business for office supplies both domestically and internationally. Our products are sold offline and online in over 140 countries and regions worldwide.

We are the first domestic manufacturer of office stationery products to be awarded the ISO 9001 International Quality Management System Certificate. We hold various international qualifications and certifications, including BSCI, FSC, FCC, UL, CE, GRS.
