 A collage of various uses for transparent sticky notes. It includes:

- Highlight:** A notebook page with text highlighted in multiple colors.
- Index:** A book with colorful tabs marking different sections.
- Mark:** A page titled 'class notes' with sticky notes marking specific points.
- Tracing:** A page with a diagram and sticky notes used for tracing or labeling.

TRANSPARENT STICKY NOTES

The larger note pads can be used to write messages or important notes. The smaller tabs and flags can be used to highlight important phrases, or to organize, mark and tab papers, books, magazines and files. Perfect for the school, home and office alike. Stick securely and remove cleanly.

STICKY NOTES

- * Strong adhesive ensures that sticky notes do not fall off, and it also removes cleanly without leaving any residue behind.
- * It can be pasted on a wall, blackboard, computer, desktop, refrigerator, and almost all other smooth surfaces.
